Have You An Account?

This is a serious question, one at which some folks take offense, yet salesmen are under the necessity of asking it. Some folks deal near home, settle infrequently, never investigate to see whether they pay more than they should and too often allow their accounts to go long over due. If you don't care what the family expenses are it's a poor way to do if you want to leave your children in affluent circumstances when you are gone. Now it is quite an advantage to have an open account at a well-known house, who can execute your order promptly. Often persons say they don't want an account and will pay in a few days. But we cannot keep memoranda of charges; it isn't safe or good business. The stock found in ordinary stores is usually stale, uninviting and inferior, while the stock in our store is turned so frequently and so carefully watched that it is at all times fresh. Our stock in trade consists of the luxuries and delicacies from every civilized nation. Send for our catalogue and prices and note the variety offered. Telephone us—240. We supply all nationalities.

THE BROOK WAS STOCKED.

But the Fisherman Got Very Little For His \$5 Bill.

I had just got my rod together and was hooking on a worm when the owner of the brook, a sturdy and somewhat ill looking farmer, appeared on the bank beside me. I offered a short salutation and received one in return, considerably shorter than my own.

"Any trout in this brook?" I asked. "Chock full on 'em."

"You allow fishing here, of course?"

"Yaas, ef the pay is all right."

"How much?"

"Five dollars a trip, now she's stocked."

"Oh, she's stocked, is she? Well, I'll give you \$5—in advance too."

He pocketed the money, and I swished down the brook, a basketful of half pounders swimming before my dazzled vision. In the first three miles the only bite I had was from my big coat pocket. I spent an hour casting in "the pool," another one through "the cut," and finished out the afternoon skirmishing around the shores of "the pond." Then night came on, and I was glad. If ever I have an evil deed to perform, anything like murdering an able-bodied farmer, I prefer to do it after dark. On my way to the station I stopped at the house of the farmer and inquired for him.

"Pa's gone tur the village," said the boy. "He got some money turday, so he's gone over tur git some groceries."

"Your father told me the brook was stocked," I said fiercely.

"So 'tis."

"I don't believe there's a trout in it over an inch long."

"I don't, nuther," said the boy. "Pa didn't stock it tell las' summer."—New York World.

Business Depression.

"Talk about hard times," exclaimed the man with a big neck and a paper-weight diamond in his cravat—"talk about hard times! I never seen anything like what we've been through before."

"Did you—did you notice it?" was the surprised inquiry.

"Did I notice it? Why, de farmers hez been so poor dey couldn't indulge in de ordinary luxuries. Look in de newspapers an see fur yerself. Dere ain't one gold brick sold nowadays where dere useter be a dozen."—Washington Star.

AYER'S ARGUMENT.

If there is any reason why you should use any sarsaparilla, there is every reason why you should use Ayer's. When you take sarsaparilla you take it to cure disease; you want to be cured as quickly as possible and as cheaply as possible. That is why you should use Ayer's: it cures quickly and cheaply—and it cures to stay. Many people write us: "I would sooner have one bottle of Ayer's Sarsaparilla than three of any other kind." A druggist writes that "one bottle of Ayer's will give more benefit than six of any other kind." If one bottle of Ayer's will do the work of three it must have the strength of three at the cost of one. There's the point in a nutshell. It pays every way to use
